YOURS

Yours to keep
site and domain in your name

01 WHERE WE STARTED

What we built it around.

01 Rare apples and deep roots.

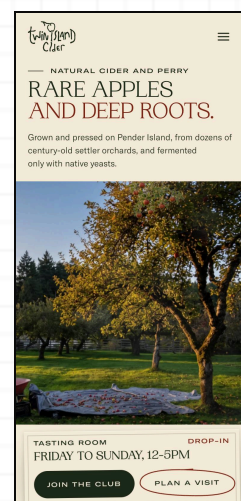

Your own line from the homepage. Option 1 stands in one of your century-old settler orchards at harvest, under an old tree with the tarp of shaken-down apples beneath it, from your own Our Process photo relit to October sun.

02 Small as a chestnut, large as a melon.

From your Cider Club welcome booklet. Option 2 is daylight: seven heirloom apples on one measuring rule, smallest to largest, so the line is shown, not told. Your own hand-cut THE CLUB and VISIT US lettering are the buttons.

03 A conversation with place.

Katie's Clay Project. Option 3 looks down into one of the amphoras built from Pender pond clay, by lamplight, with Dug, Built, Fired, Filled beside it. Every option keeps Join the Club and your Friday to Sunday tasting room hours one tap away.
